

Learn how YOU can help a single mother and her child(ren) pay for bills, food, utilities, and housing

Hundreds of people like you give of their time and talents every year to the IRS sponsored VITA Program, which offers free tax help to low to moderate income (generally, \$49,000 and below) people who cannot prepare their own tax returns.

Community volunteers coordinated by the Family Economic Success Program and its coalition partners receive training to help prepare tax returns at various VITA sites throughout Stark County located at community and neighborhood centers, libraries, schools, and other convenient locations.
